

A Little History of the World

E.H. Gombrich

PB ISBN 978-0-300-14332-4
£9.99 | €11.00 | \$15.00

- Over 890,000 copies sold globally
- Author was the best-known art historian of his time
- Iconic illustrations specially commissioned for the series

Translated into nearly thirty languages since its first publication in 1936, E. H. Gombrich's bestselling history of the world is published by Yale University Press. Gombrich tells the story of mankind from the Stone Age to the atomic bomb, focusing not on small detail but on the full breadth of human experience, the extent of human achievement, and the depth of its frailty.

A Little History of Philosophy

Nigel Warburton

This lively and accessible introduction to Western philosophy brings the ideas of the world's greatest thinkers into focus, from Socrates' questions about reality to Peter Singer's thinking on the moral status of animals in our own times.

PB ISBN 978-0-300-18779-3
£9.99 | €11.00 | \$15.00

A Little History of Economics

Niall Kishtainy

Niall Kishtainy presents an account of the history of economics, from the rise of agrarianism to the findings of behavioural economics in the twenty-first century, while introducing the big ideas proposed by thinkers including Adam Smith, Ricardo, Marx, and Keynes.

PB ISBN 978-0-300-23452-7
£9.99 | €11.00 | \$15.00

Little Histories are vivid storybook introductions for young and old alike. Inspiring and entertaining, these short books lay out our greatest academic disciplines and topics in uncomplicated, bite-size chapters. As leaders in their respective fields, each author takes the reader on a journey through the subject, from ancient times to the present. **Little Histories** are perfect for bedtime reading or anyone wanting a solid grounding in an unfamiliar subject.

It is not without reason that **Little Histories** is our most successful series. Their distinctive look, combined with their elegant and approachable style, make these books excellent additions to any bookshelf. Here are some key sales points relating to the series:

- 1.29 million copies sold around the world
- Translation rights sold in 32 languages across 121 deals (see overleaf for more information)
- Read by schoolchildren and adults alike, this series has a global audience and appeal

A Little History of Science

William Bynum

Filled with stories of men and women who asked endless questions about the world and found exciting answers through scientific discovery, this spirited volume invites readers of all ages on a journey through the amazing history of science.

PB ISBN 978-0-300-19713-6
£9.99 | €11.00 | \$15.00

A Little History of Religion

Richard Holloway

For curious readers of all ages and beliefs, this rich and colourful history explores religion from humanity's earliest days to our own contentious times. Richard Holloway illuminates the beliefs of major and minor religions, the sources of religiously motivated violence, the place of faith in a secular world, and much more.
